## **Foreign Account Worksheet**

Federal Law (not the IRS) requires that US citizens and residents with funds held in foreign banks or brokerage accounts that exceed a total of \$10,000 (not per account, but all accounts combined) ON ANY ONE DAY must file a FinCEN (**Financial Crimes Enforcement Network**) formerly known as an FBAR. It is due in April (October if extension is filed.)

If you are not sure if this applies to you, PLEASE ASK US FOR MORE INFORMATION.

- If the total of all of your foreign accounts NEVER exceeded a total of \$10,000 on any day during the year, please **sign here**: \_\_\_\_\_ Date: \_\_\_\_\_
- If you believe that you DO have an obligation to file a form but wish TO DO IT YOURSELF rather than have us prepare it, please **sign here**: \_\_\_\_\_ Date: \_\_\_\_\_

The report must be filed online, and you can do it here: <http://bsaefiling.fincen.treas.gov/NoRegFBARFiler.html>

(Please remember that you must include all interest and other income earned in foreign countries on your US income tax return.)

- If we are preparing your FinCEN, please complete the following information. (NOTE: if the accounts are the **same as last year**, rather than providing all details, just name the institution and the last few numbers of the account and the maximum balance.)
